

Case packers E 4004 and E 4012

The new case packer, available in two performance categories, offers state-of-the-art machine technology at an affordable price. The optimized machine of modular design allows all adjustments to be made quickly and easily. Maximum process reliability and flexibility are guaranteed.

- Maximum flexibility due to infinite format adjustment
- Modular design allows application-oriented configuration and individual machine length
- Ideal accessibility for maintenance and cleaning; ergonomic material loading
- Reliable cardboard blank pick-up and case transport
- Erecting and turning station ensures optimum utilization of case volume
- Format areas and output tailored to Uhlmann cartoners
- SmartControl operating system

Case packaging with maximum process reliability and flexibility

The Case packer E 4004 offers outstanding process reliability and flexibility for the packaging of cartons or bundles in cardboard cases.

Case packers E 4004 and E 4012 at a glance:
